(b) if so, which are these units; and

(c) what steps have been taken by Government to get these units shifted to far-flung areas?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) and (b) According to a survey conducted by the Directorate of Industries, Delhi Administration, there are 868 units causing pollution in the Walled City of Delhi.

(c) Such units would be relocated in the existing developed industrial estates of DDA to the extent possible and then in industrial areas to be planned and developed by DDA and Delhi Administration.

Discovery of new oil yielding areas

1136. SHRI KALPNATH RAI: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the new oil yielding onshore and offshore areas in the country discovered last year; and

(b) the estimates of petroleum yield from them and the detailed plans drawn for the commercial exploitation of those areas?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI RAFIQUE ALAM): (a) Oil was discovered in the following places in the country during 1986-87:—

Onland

Kaikalur	(Andhra Pradesh)
Namti	Assam
Shalmari	Assam
South Malpur	Gujarat

Offshore

CD, CA, R-7A, B-131, B-179	West Coast

(b) The extent of yield from these fields will be known only after these structures are fully delineated. Plans for their exploitation can be drawn only after their commercial viability has been established.

Increasing the refining capacity

1137. SHRI SHANKER SINH VAGHELA: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) what is the installed capacity in the country at present in respect of oil drilling; oil transportation and oil refining;

(b) whether it is a fact that the transportation and refining capacities are not commensurate with the drilling capacity; if so, to what extent transportation and refining capacities are lagging behind;

(c) whether it is a fact that on account of indequate facility of transportation and refining the drilling capacity is under-utilised; if so, to what extent; and

(d) what are the details of the steps taken to step up the transportation and refining capacity in oil industry?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI RAFIQUE ALAM): (a) to (d) The information is being collected and will be laid on the Table of the Sabha.
